## KEY INGREDIENTS *The Complete Skin Care Story*

Ingredient	Qualities
Aloe Vera Gel	Fibroblast stimulator. Precursor to collagen.
Hydrolyzed Collagen	Aides in water binding retention and stimulates hydration.
Guarana Seed	Energy, stimulant, circulation
Acai Berry	High content of anti-oxidants that help repair and support cells damaged by the scavenging effects of free radicals. Been shown to help in hyper pigmentation and discoloration.
Goji Berry	Claim is that they have the highest anti-oxidant properties available. All of this helps minimize the break down of your skin matrix– which result in lines and wrinkles.
B Complex	B3, B6, B12 Stimulant and accelerator that enhances circulation, tone.
Agave Cactus Powder	Low glycemic flavor enhancement
